Updates on Osteoarthritis, Rheumatoid Arthritis,
and Juvenile Arthritis

Thursday, October 22, 2009

1:30 - 3:00 pm

The Gold Room, Rayburn House
Office Building, Room 2168
Capitol Hill, Washington, DC

A free public seminar for people with arthritis and people who care about them.

Meet world-class experts in arthritis care who will inform you about current scientific evidence and management strategies in the treatment and care of osteoarthritis, rheumatoid arthritis, and juvenile arthritis.

This is a one-time offering on Capitol Hill in Washington, DC, held in conjunction with the Bone and Joint Decade Global Network Conference. This is a unique opportunity to learn from world-class experts.

Program Overview

The National Impact of Arthritis and the Importance of Advocacy

What YOU Can Do to Manage Your Arthritis

Panel session featuring experts with clinical and research answers on:

- Osteoarthritis
- Rheumatoid Arthritis
- Juvenile Arthritis

Additional resources provided by the National Institute of Arthritis and Musculoskeletal and Skin Diseases
